Attached are the photos of the white board, which document the Area 40 Purchase and Sale Agreement commitments and due dates. Additionally, I have attached the OU-6 proposed plan (PP). As we discussed, AR will draft the Area 40 PP and submit to EPA for review by February 9. The purpose is solely for EPA PM to review and comment so that the PP is ready for submittal to EPA management and headquarters review when the FS is finalized.

Christopher M. Fennessy, P.E.
